Dedication

The man who can make hard things easy is the educator.

—Emerson

As the peace pipe of old was symbolic of faith and good will—so true educators symbolize learning and wisdom.

Two such leaders guiding NC students in their quest for knowledge are retiring teachers Mrs. Gladys Dunphy and P. H. Nygaard.

"Participating in civic and national organizations strengthens a teacher's knowledge in vital affairs, allowing her to teach the leaders of tomorrow more effectively," stated Mrs. Dunphy. Living up to this ideal, she has served as President of the Spokane Federation of Women's Clubs and has received the National Carol Lane Merit Award from the National Safety Council for promotion of state traffic-safety programs. Adviser to Color Girls and Future Nurses of America were two of her extracurricular activities in North Central.

Mr. Nygaard, during his teaching career at NC, has served as head of the Math Department since 1942. A noted mathematician, he has contributed articles to national magazines on math, science and education. President of the Spokane Teachers' Credit Union, adviser to Math Club and Radio Club, and coach of the Indian baseball team were activities during his career. So . . . to Mrs. Dunphy, Mr. Nygaard and all true educators we dedicate the 1962 Tamarack.

Foreword

The Peace Pipe, symbol of faith and good will when passed
around the council fire, ruled a life much different from
our present existence. Then a feather torn from the pipe and
thrown on the earth—symbol of war—meant the opportunity
for a few braves to achieve greater glory as warriors,
or to gain more worldly possessions; also it meant
a few would die. Today a broken feather would be quite
different; there is doubt that there would ever exist
another council fire at which to smoke the pipe,
for a war today endangers the existence of mankind.
So we, the warriors of tomorrow, are trained
for peace, just as the Indians were trained for war.
We study math, science, history and foreign
languages that we might not only keep our
nation strong, but help secure democracy's
blessings for all mankind. Peace,
eternally sought, must now be
eternally secured if mankind
is to continue to exist
on earth.

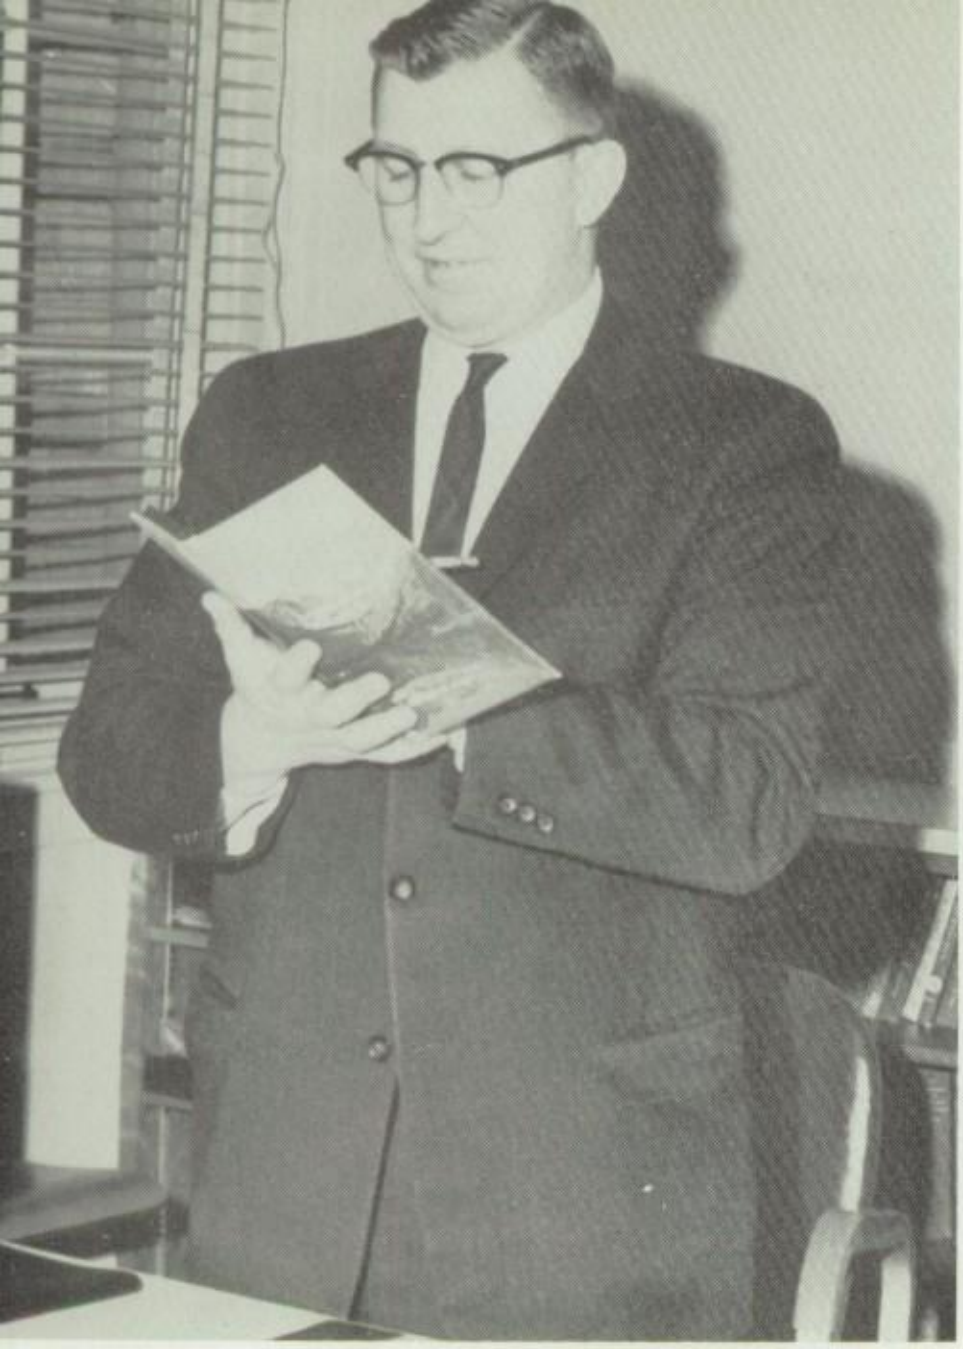
Mr. William C. Sorenson,
Superintendent of Schools

W. C. Sorenson Executes Decisions; Regulations Made by School Board

Superintendent of Schools for District 81, Mr. William C. Sorenson, is the chief executive officer of the Board of Education. He is responsible for the execution of all policy-making decisions of the board. On him rests the responsibility for the education of all students in elementary and secondary schools in the district. He must develop a plan for maintenance, improvement and construction of buildings to provide adequate educational opportunities for all students.

The School Board has legislative duties; it establishes policies, adopts and provides for enforcement of rules, and in general determines the way in which the school district is run. In addition to these duties the board is charged with providing textbooks and other supplies necessary to the proper functioning of the schools.

Pictured during discussion at a meeting of the board are, left to right: Oscar S. Santschi, Mary F. Wurth, George R. Nethercutt, H. Avery Peyton, James E. Winton and W.C. Sorenson.



Mr. Rodkey, principal, looks over proposed school calendar for the spring semester.

Busy is the word for Mr. Edward Gill, vice-principal.

Duties, Responsibilities Face Principal John P. Rodkey

Today America is calling upon its citizenry to perform at a very high level for the national survival. What can be said that strikes a new note of encouragement in our day? John Wesley, 18th century, probably wrote as true words as a modern writer could express concerning this problem. He said, "Do all the good you can, in all the ways you can, to all the souls you can, in every place you can." What can be added to these words?

—John P. Rodkey

Problems, problems, problems! Finding the solution is the business of Mrs. Patricia Butterfield, girls' adviser, and Mr. Ken Mhyre, boys' adviser. Advising on scholarships and college entrance is the duty of Mrs. Lorraine McNew.

Students Study American Rights, Government and Opportunities;

Since the advent of the Sputnik, a great deal of the emphasis in the schools has been placed on subjects related to mathematics and the natural sciences. However, recent advances in scientific fields, such as the manned orbital space flight accomplished by the United States, indicates that the key area of conflict with Russia may very well be in the fields of politics and economics, rather than technology.

It is a well-known fact that solutions to social and economic problems often lag far behind discoveries in the field of science. This "social lag" has always existed, but the rapid rate at which technical advances have been made in recent times has caused the situation to become critical.

We must find some of the solutions to the problems in human relations soon or it may be too late. The social studies provide a means by which these problems may be analyzed and a laboratory in which the solutions may be found. There are no easy answers in the field of human relations;

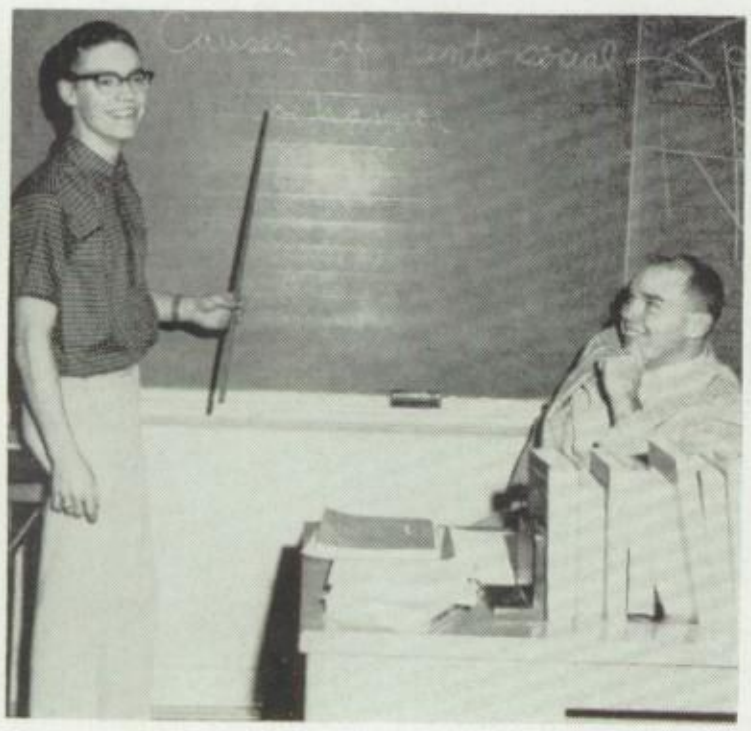
Through Social Studies, Basic Modern Problems Are Answered

there are too many variables which cannot be controlled. The perfect solution in one case may be completely untenable in another very similar case. Each problem must be judged on its own merits in relation to knowledge gained through past experience.

The study of history gives us the background for a better understanding of the problems facing humanity. In addition to man's progress, we can learn of his past mistakes so that these errors need not be made a second time. Economics helps us to understand the complex problems of commerce; sociology deals with the methods used in describing and predicting human behavior. From these courses and others taught in the North Central Social Studies Department essential information is gained which can serve as a criterion for valid judgment in terms of the political, economic and social problems for years to come.



"Does anyone have any good suggestions?" Gary Westerman leads the class discussion in Sociology class as Mr. Luders looks on.

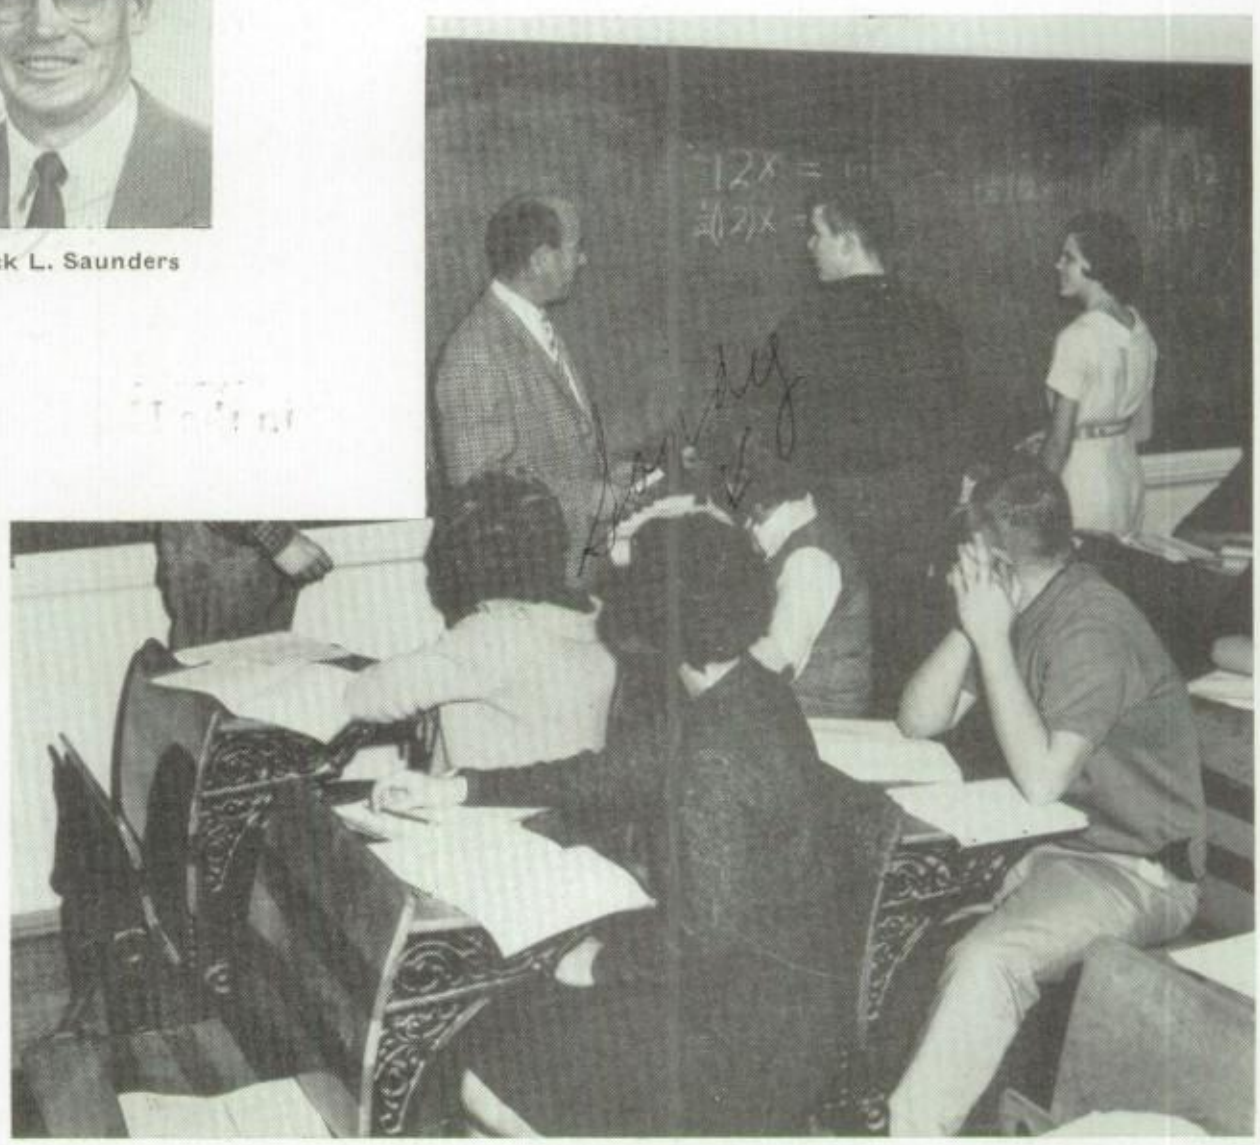
Math Is "Universal Language"; Its Logic Is Understood By Other Lands



Students in Mr. E. V. Kretz's freshman algebra class learn to solve equations by using reciprocals.

As does no other subject, mathematics speaks a universal language. Not only is its symbolic logic understood by people everywhere, but its methods are widely adaptable to the search for truth in the physical world. The theorems of Euclid are as valid today as the equations of Einstein. Recent theoretical developments in mathematics may enable it to master the unsolved problems of human relations. Here the universality of mathematics will meet its ultimate challenge.

Solving Mysteries of the Universe Is Science's Challenge to Students

Science, ever-changing, challenges each student to seek the answers to the eternal questions it poses. The scientific method of thought provides a means by which these questions may be answered.

In the past few years, inventions have been made which our forefathers would have labeled "magic," but which have become commonplace in our lives. Every day, new advances are being made. The field of investigation which was opened up through nuclear research is only a beginning. We are far from the solution to the mysteries of the universe. There is still a need to search for the answers. Every high school student is given the chance to join the search.

To Think Logically, Express Ideas in Sentence, Are Objects Of English Department Concentration

Following one of the key concepts of Thoreau—"Simplify"—the teachers in the English Department have concentrated this year on two objectives: To help every student learn to think logically and to express his ideas in well-written sentences. To this end, the emphasis in the classes has been on functional rather than formal grammar. Practice in writing actual themes gives students a better background for college. Even though a student may not go on to college, the ability to speak and write well is needed in the world of today.

English 1-6 are basic courses which are required of all students. A student may select courses from literature, composition, vocabulary and speech in his senior year. English 7X and 8X are offered for seniors who do not plan to attend college. In these courses they study Business English rather than the classics, which are considered in literature and composition classes.

The experiment in team teaching is no longer considered an experiment, but is part of our English department. This year, however, there is another addition to the curriculum of the department, provided by a series of films used in Senior English classes. One set of films discusses Shakespeare's Hamlet; another give a background knowledge of the Humanities, using the play "Our Town" as an example.

Journalism, for the training of young reporters; debate, for developing ability to speak in public, and dramatics, for developing acting technique, are also parts of the North Central English Department.

World's Greatest Career—Homemaking!

Industrial Arts Teaches Basic Skill

Why is homemaking a career—the greatest career in the world? It is because a homemaker teaches her children attitudes of good thought. From her they learn ways of thinking and doing, which they will use the rest of their lives. It is her talent for living that helps shape the nation, even the world of tomorrow. Therefore, it is essential that future homemakers develop their talents and abilities. In Homemaking class the girls learn how to most effectively use their potential abilities.

Industrial Arts classes at North Central High School help both college-bound and noncollege-bound students. A course in engineering drawing teaches the universal language of industry to those who plan to go on to a higher education. All shop units give an opportunity to learn basic skills essential to modern technology.

Music Department Presents Con
P.E. Provides Varied Program

Music rings through the halls of North Central through the efforts of the Music Department. Those who have shown singing ability are eligible to join Choir, Mixed Chorus and Girls' Glee. Anyone who plays a musical instrument may join one of the instrumental groups, including Marching Band, Concert Band, Junior Band, or the Dance or Pep Bands.

The Physical Education Department provides a wide variety of sports for all who are interested. In addition to this, an Intramural, or Interscholastic competition is offered. Besides the emphasis on physical fitness, the Red Feathers, Color Girls, Majorettes and Cheerleaders, working through the P.E. Department, provide color at games and promote school spirit throughout North Central.

Strange Salutes Greet Students in Foreign Language; Library Is Newly Remodeled; Floor Plan Is Changed

Helen R. Oscarson
Department Head

Guten morgen! Bon jour! Buenas dias! Salutes! North Central foreign language classes teach these strange greetings, but the students learn far more than written and spoken usage of the language. German, French, Spanish or Latin courses emphasize the culture of the people who use the language.

From reading and class discussion, the students learn how people in other lands think and feel. Students who are now struggling to conjugate unfamiliar verbs may one day help to bring about world peace through world understanding.

Distributive Education Re-established This Year
Art Teaches Discrimination to Students

Distributive Education has been re-established by the Business Education Department this year. Together with other commercial courses, DE gives the Business Education Department a well-rounded program to prepare graduates for better understanding of the American way of life and for vocational proficiency.

The Art Department is organized to serve the individual student by training him to be discriminating in his choice of dress, home and consumer products. This type of program will, in years to come, benefit both the student and his community.

Aiding Students, Job of Student Office; Public Office Handles School Business

Aiding North Central students is the purpose of the Student Office. Guidance, counseling, disciplinary problems and recording student attendance come under its jurisdiction. The Public Office handles school business and is the reception office for school visitors.

Ticket sales are conducted through the Business Office, which keeps an official record of the school and all clubs. For school supplies, students have the bookroom. Here they purchase paper, pens, pencils, note cards, maps, book covers and other essential supplies from Mrs. Wayland or one of the students who work in the bookroom.

Chris Childers, Karen Hurley and Rod Lindberg wait their turn in the business office to buy a ticket to one of the basketball games from Mrs. Sylvia Meuller.

North Central was very fortunate to be included in the American Field Service program this year. Gabriele Naundorf, a foreign exchange student from West Berlin, Germany, entered our school last fall and lived with the Marvin Jewell family for the purpose of learning American ways and customs. For this, we thank you, Gabi.

Glenn's Space Trip Highlights 1961-1962 World Events

World events contributed greatly to the education of North Central students during the 1961-62 school year. The orbital space flight of John Glenn was of vital interest in the classrooms, as were the flights of Alan Shepard and Virgil Grissom; the activities of President Kennedy and his family; the city elections involving bond issues and City Council members; and the work of the Congressmen from Washington State. North Central followed the continuing trend of more youthful awareness of national affairs. Students were very well informed on world happenings as a result of comprehensive classroom discussions.

Senior Prom Highlights Year of Vivid Memories

Numerous weeks of work and planning went into preparation for the Senior Prom. "Some Enchanted Evening," theme of the dance, was reflected in the decor of the Marie Antoinette Room at the Davenport Hotel, where the prom was held.

Simplicity markd the dainty, white leather tickets which became treasured mementos of the Senior Class. Music, provided by the Skylarks, was enjoyed by all attending. The graduating class of 1962 will long remember this event as a climax to their high school days.

Seen before school on Dress Up Day are Janice Donahoe, Ed Doyle, Ron Rude and Cathey Lindvall. Relaxing after a tiring day are Gloria Barth, Gloria Riediger, Gary Martin and Gary Pleasant.

Graduating Seniors Bid Adieu to Alma Mater

Activities of the Senior Year started in a frenzy for the graduates when the traditional Senior Con took place. The theme, which was taken from the popular television show "Ben Casey," was a satire depicting life in a big city hospital. It contained three scenes, the "psycho" ward, operating room and nightclub.

After many rehearsals, a matinee was presented for the students May 4, and an evening performance was given for the parents the same day, followed by a reception held in the library.

After the Senior Prom, which was held May 25, Senior Breakfast and Dress-Up Day were enjoyed by the graduates on June 1. The breakfast took place in the Marie Antoinette room of the Davenport Hotel. The aroma of bacon and eggs filled the air, and trees strung with mementos of four years of high school added to the decor. Entertainment and speakers were featured items also.

Returning to school, the senior spent the day dressed in their "Sunday Best." At the end of the day there were a number of tired seniors who were glad to see the end of this—one of their last days at North Central.

As all good things must come to an end, so must high school days and the senior year. On June 3, at 7, the graduates, robed in the caps and gowns traditional at such functions, moved to the Coliseum for the Commencement Services. Dr. Fredrick Santler, a professor of Modern Languages at Whitman College and featured speaker, tried to instill in the graduating seniors the meaning of "Commencement."

And so, the Class of '62 said good-by and paid its last tribute to North Central High School, its Alma Mater.

Pictured above are the Senior Homeroom teachers: seated, Burrill Exley, Elizabeth Killingsworth, Mary York, Virginia Riegel, Blair Glover; Standing, Raymond Simonson, Joseph Tremblay, Thomas Anderson, Daniel Davis.

Homeroom Teachers Share Seniors Events

Mrs. Mary York, chairman of senior class homeroom teachers, guided the 1962 class successfully through its many senior activities. Senior homeroom teachers aided Mrs. York by assuming the responsibility for various senior functions.

As a nucleus for this four years of high school, the student seeks his homeroom to find guidance, counseling and friendship. The homeroom teacher is no small part of a school's efficient operation. Through this teacher the student receives individual attention and program counseling that would otherwise be impossible. On the homeroom records are found not only grades and attendance, but test scores, a personality summary, a photograph and parent's signature. From this data many letters of recommendation are compiled in years to come and often the record itself is studied by potential employers, therefore each homeroom teacher feels it his duty to encourage homeroom students to leave the best possible record.

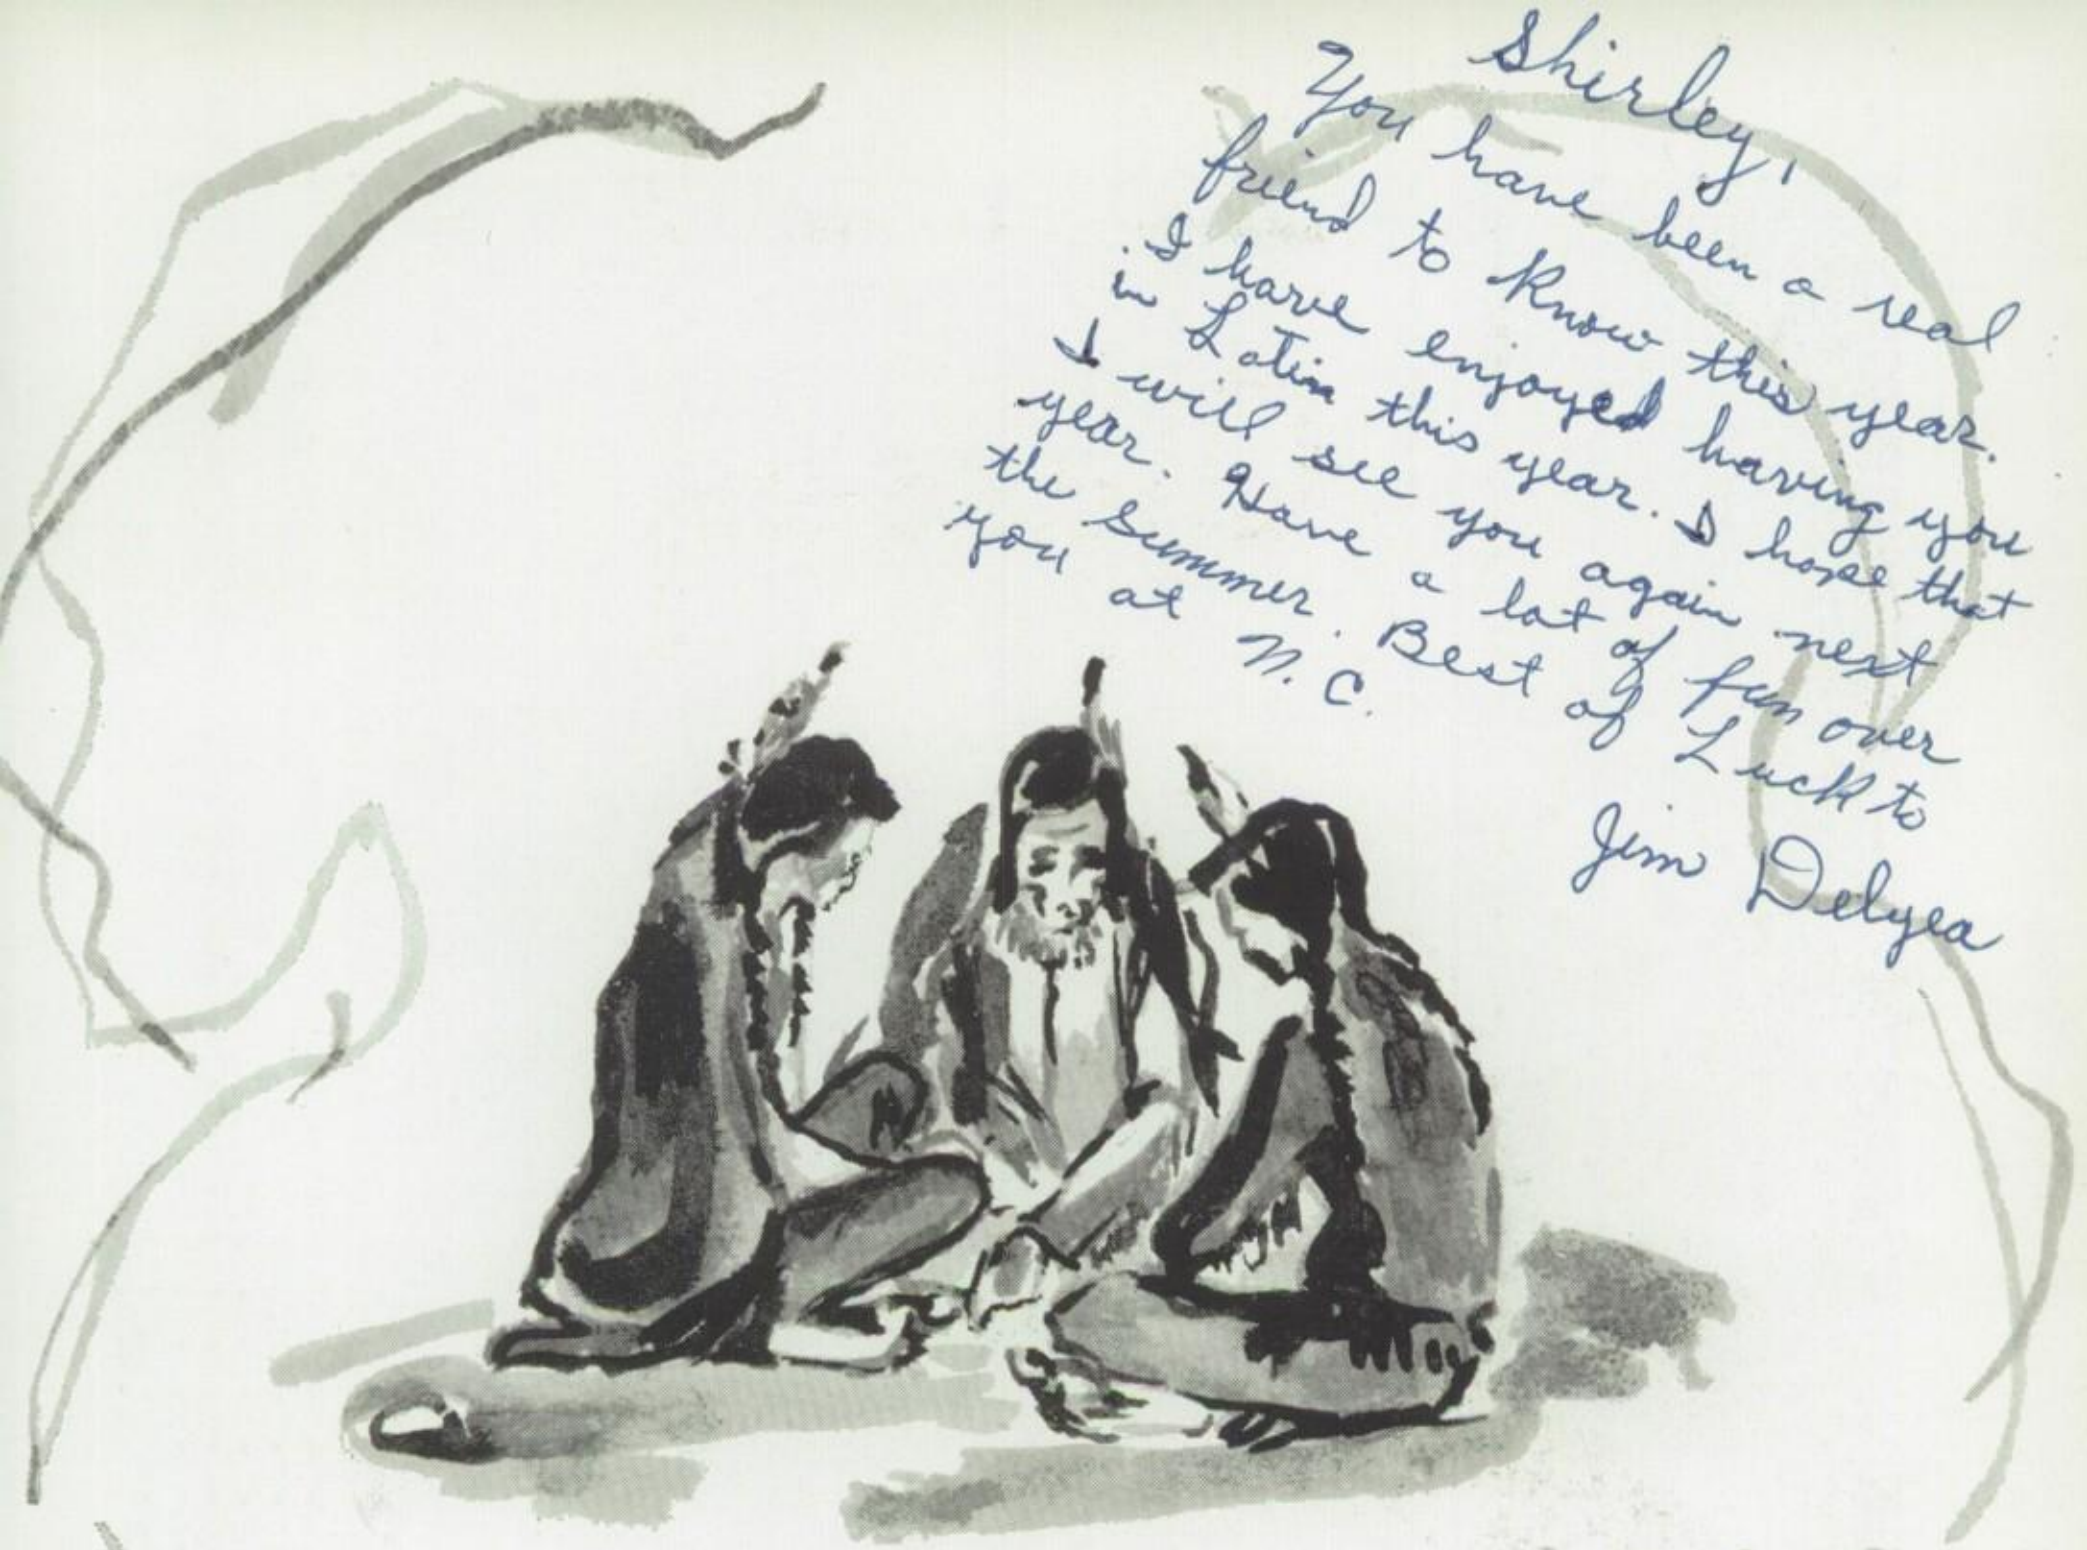
Mary York, chairman

Pictured above are: Pat Belair, Doris Pfeiffer, Glen Jones, Gary Westerman, Stuart Putnam and Anita Daniels in a moment of senior exuberance.

Right, bottom: Chosen as North Central's 1962 Lilac Princess is Tamara Kimpel. "Tammy" was selected from a court of 10 girls to represent NC at Spokane's Lilac Festival.

Below: RaNae Dahs, Mike Brower, Tom Benn, Donna Byrom, Noel Stubbs, Glen Jones, Bonnie Anderson and Caroline Brady discuss their plans for Commencement.

Classes



Shirley,
You have been a real friend to know this year. I have enjoyed having you in Latin this year. I hope that I will see you again next year. Have a lot of fun over the summer. Best of Luck to you at N.C.

Get-Acquainted Mixer Begins Co-Recs, Date Dances and

Associated Student Body activities began this year with the annual get-acquainted mixer in the old gym. At this event the new students have an opportunity to become better acquainted with the upperclassmen.

Something new was added to sportswear as the ASB officers ordered school sweatshirts for the entire student body.

Upper- and lowerclassmen enjoyed separate corecreations given for them. Another night featured a special invitation for parents to join the students.

One of the highlights of the year was the annual Christmas semiformal date dance. The theme this year was Silver Bells. The G-Men provided the music while the John

Principal John P. Rodkey and Nancy Hoering, North Central's safe-driving representative, display the safe-driving banner earned by students through practicing safety skills in the city-wide driving competiion.

ASB Fall Activities: Projects Add to Fun

R. Black Trio supplied entertainment during intermission.

The Mardi Gras, which proved to be a success last year, was held again this year. Prizes for the best costumes were awarded, and music was provided by the Demons.

As in years before, the physical education classes participated in a cleanup day which included cleaning the school grounds, tennis courts, track and baseball fields. This was continued by those in the landscaping project which was started last year.

As ASB officers work through their semester on the many school activities, they acquire many fond memories.

Senate Approves ASB Issues

All issues pertaining to student body affairs must be aproved by the Senate before they are presented to the House. This year the main project of the Senate was to promote the Christmas Dance.

Senate members, one boy and one girl from each grade level, are chosen each semester and sworn in during the Associated Student Body Installation Convocation.

Government Forms, Leadership Taught at Girls' and Boys' State, Twinlow

Bruce Wilson, Tamara Kimpel and Dick Herron talk about their experiences at Girls' and Boys' States, formed for the purpose of teaching students to be patriotic leaders in a democracy on both the state and national level.

Teaching high school leaders the meaning and use of democratic forms of American government is the purpose of Girls' and Boys' State leadership camps.

Representatives to the leadership camp are chosen from the Junior class by a faculty committee. This year Tammy Kimpel, Bruce Wilson and Dick Herron were chosen.

Cities are organized by the representatives and a State Legislature is chosen. Officers for the city government and state legislature are chosen. Tammy was elected Secretary of State at last year's session.

Citizens of Girls' and Boys' State learn many valuable things about government operation. Responsibilities and privileges of an American citizen, advantages and disadvantages of a two-party system and the actual workings of the government are demonstrated to school leaders.

Committees Serve ASB: Promote Functions

At the beginning of each term the Associated Student body officers appoint standing committees. Students who show interest and ability are eligible to serve. These committees assist the ASB in various ways throughout the semester.

The election committee appointed a nominating committee, gave information on the elections, registered the students to vote, and screened the candidates.

Dance, pep and recreation committees promoted interest in school activities by means of stunts and posters. Other committees played a more serious part in student affairs.

Deadline Nears; Staff

Members of the Tamarack staff were found working diligently putting out the 1962 Tamarack. The yearbook was divided into sections with a student chairman in charge of each section. After the theme was chosen, the color scheme and artwork had to be done. Artwork was done by Bobbi House and Sherri Miller.

The dummy was prepared for each section while many of the students were selling advertising under the direction of Sharon Kimberling.

All the pictures had to be scheduled and developed. Most of the pictures were taken and developed by the school photo staff. At

Reporters Kept Busy With NC News Publication

Approximately 20 students write, prepare and edit copy for The News. Along with these tasks, editors are responsible for page layouts, proofreading and making last-minute corrections at the school printshop each publication week. Thirteen issues are published each semester.

Important positions on The News are filled each semester by qualified and experienced reporters. The announcements are made by Joseph C. Tremblay, adviser at the Publications Banquet, held semiannually.

For the past 25 years The News has been awarded highest honors by both the Columbia Scholastic Press Association and the National Scholastic Press Association. Plaques and certficates won by The News line the walls of the newsroom.

ADVANCED DEBATE—Standing from left to right are Bruce Wilson, Kay McDougall, Donna Byrom and Dick Herron.

Poise, Logic, Speaking Ability Gained Through Debate

Debate is formed to help students increase their poise, logic and speaking ability.

This year the chosen topic was "Resolved: That the federal government should equalize educational opportunity by means of grants to the states for public elementary and secondary education."

One day each week, debaters participate in the Spokane Debate League, and this year's highlights were tournaments at University of Puget Sound and Pacific Lutheran University, Tacoma.

Debate teaches students self-reliance through an informal class atmosphere.

Kay McDougall and Donna Byrom make a last-minute check as they leave for a debate tournament.

Dick Herron and Bruce Wilson spend much of their time in the library searching for data on debate issues.

Interest and Understanding of Art Experienced by Club Members

Art Club promotes interest in the field of art and provides a fuller understanding of art techniques. Attending community art shows and sponsoring morning mixers are only two of this club's activities. Students with a 2.5 grade point average and a 3.0 in art are eligible for membership.

Sharon Burkhardt and Stan Taft lead Barbara Schirman and Mary Plumb in an initiation stunt as Carol Hobbs urges them on.

Sherri Miller, Phyllis Nelson, Janis Willett, Gail Lansing and Gail Crisp prepare their artwork for display.

Math Club Victors In Basketball

Mathematics Club was organized for students whose primary interest is mathematics. Membership is limited to students who have been enrolled in three or more semesters of math, have a "B" average, and are able to pass an entrance examination. Mr. Barnard of the Math Department is the club adviser.

Meetings are held twice a month and speakers from various businesses discuss math as it is used in their fields.

Sponsoring the annual math contest and the Latin Club-Math Club basketball game were important events on the calendar. Math Club proved to have more brawn this year by winning the game 58-33.

Mathematicians gather to participate in the annual Math contest.

The club was led by Bruce Wilson during the fall semester; Steve McMacken took over in the spring.

Members of Key Club Execute Service and Fun Projects

Key Club members were busy this year with many service and educational projects.

The main project this year was working with the children at Shriners Hospital. Five members spend an hour each week helping the children build models and work with crafts.

Club members worked at the annual downtown Santa Claus party sponsored by the Retail Credit Bureau. The boys ran rides and took care of Santa's eight reindeer.

At the bimonthly luncheon meetings, Key Club members hear speakers and see educational movies. Topics discussed included military service and city government.

Nine members attended the yearly Key Club convention in Redmond, Ore., during spring vacation.

Annual Banquet Honors Members; Warriors Sponsor Hayride

John Jamieson acts as sergeant at arms while Bob Bassett, president, conducts a Warriors meeting.

Members of Warriors are boys who have received a major award in a varsity sport and have maintained a good citizenship record. The adviser this year is Mr. Dale Blair.

The annual football banquet honored many football champions. This year Bob Bassett, club president, received the Archie Buckley Inspirational Award, the captain's trophy and the football from the Lewis and Clark game.

Sponsoring a hayride was one of the activities of the Warriors. In the spring a car wash was the money-making project.

Group Sponsors Joint Meets; Typists' Contest Offered

Commercial Club, established to promote interest in commercial careers, had a busy schedule of events this year.

Joint meetings with commercial clubs from Shadle Park and Lewis and Clark gave Commercial Club members the opportunity to meet new girls with similar interests.

The annual typing contest gave NC students the chance to test their typing skills. Many students were awarded pins for their speed and accuracy.

Selling candy bars and holding a car wash were the main money-raising projects of the year.

Preparing punch for the Commercial Club open house are Marianne Davis, Denise Perkins and Laura Clark, food committee members.

"Biologists" Travel to WSU Fair: Plan Experimental Activities

Sponsoring two morning mixers and selling mistletoe during Christmastime were two of the club's many money-raising projects. The club went mistletoe hunting by Riverside State Park and sold the mistletoe to the students.

Members also worked in the school biology laboratory and assisted during classroom dissection.

Bringing students closer to nature through learning more about the plants and animals around us is the main interest of the Biology Club.

Highlighting the various activities was a trip to Washington State University for a science fair open house. On May 11 and 12 a camp was held on Fan Lake. Mr. and Mrs. Walter Spangenberg chaperoned.

Helping out in the Homemaking Department are Kay Gilbert, Heidi Aldinger, Janet Sundberg and Sharon Barry.

Enjoying refreshments at initiation are Pat Holland, Carol Perry, Helen Miller and Judy Amdahl.

Home Economics Club Members Hold Various Activities, Projects

Girls who show an interest in homemaking and maintain a 2.0 grade average are eligible for membership in Cercle de Menage, the home economics club. Both the initiation hayride on October 14 and the initiation slumber party March 23 topped the year's activities. Money-raising projects began by working in a booth at North Central's Carnival. Later in the year a bake sale and a carwash were held. The club's service project included caroling at Christmas time and making slippers for the patients of a rest home. Club pins were available to members for the first time this year.

Rehearsing a duet for a spring performance are vocalists Patti Theodorson and Georgiana Bertholf.

Displaying their talents at a club meeting are Chuck Pefley, Cheryl Sherburne and Jacinta Caballero.

Tau Chi Encourages Talented Students

Tau Chi's function is to promote the interest and further the development of talented students through approved community performances and active participation in the club. Members are chosen from students having talent in the fields of music, dancing, drama and novelty acts.

Making a constitutional revision and reorganizing part of the club were the main projects of this year. Performances at Fairchild Hospital, Hutton Settlement and the Shriners Hospital were presented through the year. One of their largest audiences was at Inland Empire Education Association convention. The Spokane Club (Civil Engineers) was entertained by this talented group.

Thespians Seek High Performance

Striving for and maintaining a high level of production and performance in high school is the function of Thespians. The group sponsors all theatrical productions in the school and holds several performances outside of school each year.

Thespians Club is a member of the National Thespians Society. During the year the group attended a meeting with other Thespian clubs of the city and Valley. Another highlight of the year was the annual Hoagie Party. As a money-making project, the club sponsored a morning mixer, Backstage Bounce.

Eligibility for membership is based on a 15-point requirement system. Points are earned by participating in all phases of a play.

Mexico and Interesting Customs Viewed by Spanish Members

Learning more about Mexico and its many interesting customs is the main function of the Spanish Club.

One semester of Spanish and a C average is required to be a member of this club.

Beginning the fall season was an open house to which new members were invited. In December a Christmas Party was held at the home of Linda Barnes. In the spring the entire club jugoron al boliche (went bowling) regularly. Closing the spring activities were a series of Spanish plays presented under the direction of Mrs. Genevieve Oppen, adviser.

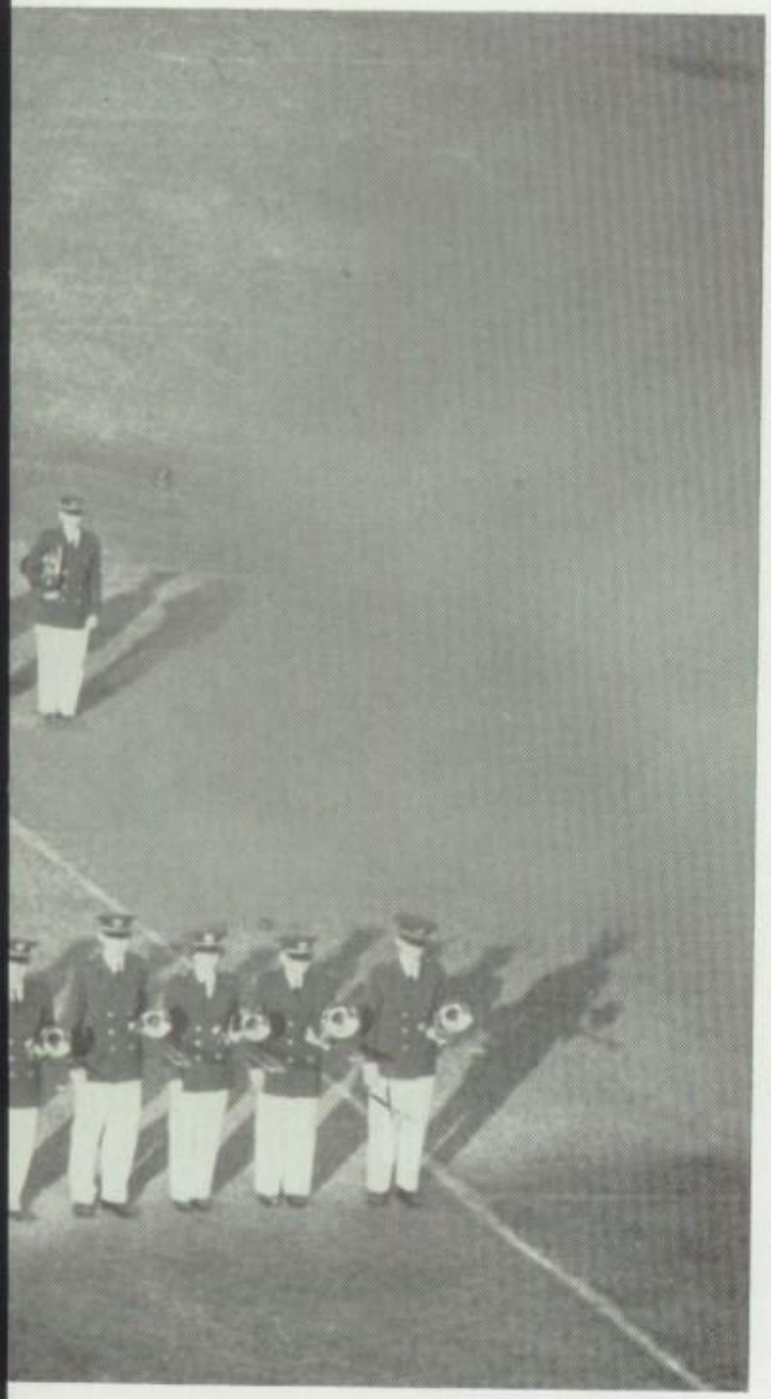
North Central Marching Band forms traditional NC at football games.



Majorettes, Marching Band Participate in Parades, Football Half Time

Participating in the Washington State Apple Blossom Festival at Wenatchee was the main activity of the spring semester for the Marching Band. Accompanied by the Red Feathers, Color Guard and Majorettes, the band made the May 5 trip to participate in the annual parade and in an afternoon musical program.

This year North Central was ably represented at the Washington State Music Educators' Convention at Tacoma. Representatives from North Central's Music Department joined other representatives from high schools throughout the state, participating in a mammoth musical program featuring nationally known guest conductors.

Indians Down Bulldogs In Merry-Go-Round

Befuddled by injuries, following the opening victory over Gonzaga in the Merry-Go-Round game, North Central came back in the final game of the season to devastate the previously No. 1 statewide team, Lewis and Clark, 20-7.

With a victory over Gonzaga, the Indians bowed in their second contest 21-0 to Rogers. Traveling to Richland, the Braves fought to a 14-14 tie. Shadle Park was next to fall as the Braves resumed league play with a 21-6 triumph. League-leading Lewis and Clark then handed the NC squad a 33-2 defeat.

Opening the second half against Gonzaga, the Bullpups avenged the first encounter by tripping the Indians 27-7. NC then tied second-place Rogers 7-7.

Three Wrestlers Place In Semifinals at CV

North Central's comparatively new wrestling squad competed in the district meet at Central Valley and only three team members, Dean Nakagawa, freshman; Bob Fah, senior, and Ralph Caballero, junior, lasted into the second round of the semifinals.

Ron Strand, team captain, missed most of the season as a result of an injury to his shoulder in the first match against Shadle Park.

With only five of the varsity team leaving, Coach William M. Diedrick expects to have a more experienced squad when the season opens next year.

Indians Down Gonzaga in Double Overtime Thriller

North Central's Indians, lacking height and experience, were able to win only one game all year, that being a 34-33 double overtime victory over Gonzaga Prep in pre-season action.

This year's squad featured just one returning letterman—Marty O'Brien. The balance of the Indians' roster contained only two seniors: Dick Herron and Harvey Luiten. Dick hurt his ankle in the middle of the season and was unable to see further action.

Marty O'Brien led the Indian scoring in their victory over the Bullpups with 12 points. In the second overtime, it was junior Ed Bone who put in the winning basket.

Eight juniors and one sophomore completed the Indian lineup of 12. Bruce Wiedmer, Ed Bone, LeRoy Miller, Dave Betts, Don Rinck, Tom Pichette, Roger Ketron

and Gary Logsdon were the juniors and Larry Bruya the sophomore.

Shadle Park met the Indians in their league opener. The Braves lost the contest 59-44. Ed Bone led the Indians in scoring as he chucked in 15 points, while LeRoy Miller had 12.

Second league encounter saw the Redskins bow to Central Valley in the first game of the triple-header held at the Coliseum, 62-46. Cold in the first half, the Indians came alive in the second half as Marty O'Brien, high point man in the game with 16, Ed Bone and Dick Herron all hit for 10 points each. But the comeback wasn't soon enough and the Bears walked off with the victory.

Coach Jerry Stannard's Indians then encountered John Rogers and were turned back 58-40. The Pirates had a hot first half as they scored 43 points, 3 more than the Indians were able to acquire all evening.

On Friday, January 19, the Indians lost to their long-time South Side rivals, Lewis

and Clark, 38-33. Again the Indians tried to come back in the second half, but fell short.

With a preseason victory over the Bullpups, and looking for their first league victory, the Redskins led the Prepsters until the last two minutes of the final quarter and then were edged out by two points, 61-59. Marty O'Brien fell one point short of tying the Coliseum record as he hit for 32 points. Dave Betts was second high for the Indians with 12 points.

Ending the first half of league play, the Braves met West Valley's Eagles and fell to them, 60-41. Again a cold first half found the Braves short at halftime, 32-14. Second-half action saw the Indians almost match

the Eagles basket for basket. Marty led scoring again with 19 points.

League play for the second half saw the Indians bow to Shadle Park for the second time, 68-45. At halftime, NC was only two points behind, but failed to keep up with the Scotties in the second half.

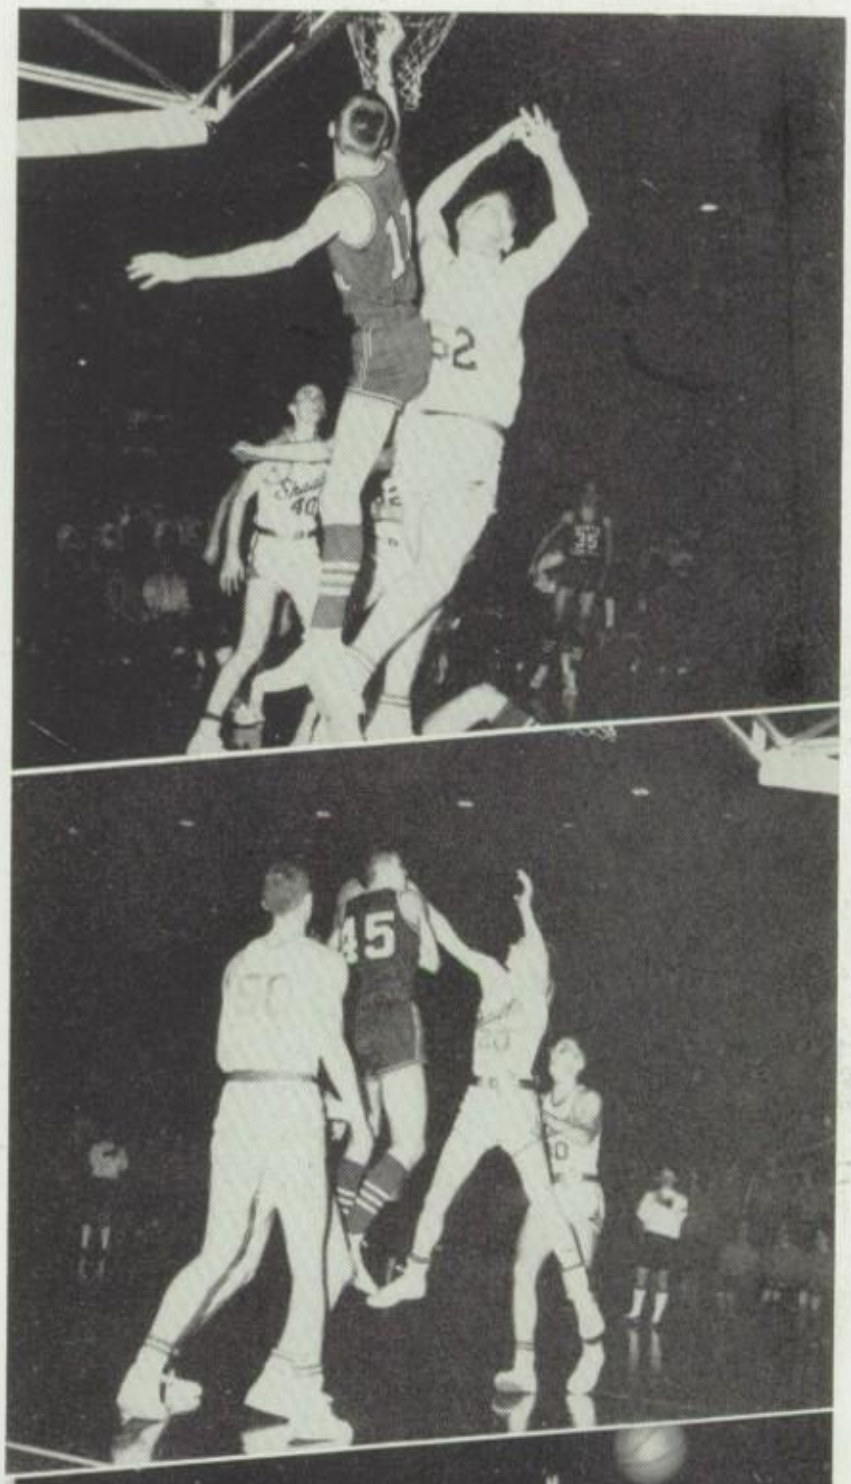
The Indians were then defeated by league-leading Central Valley, 59-41. League-leading scorer, Marty O'Brien, managed to collect 17 points.

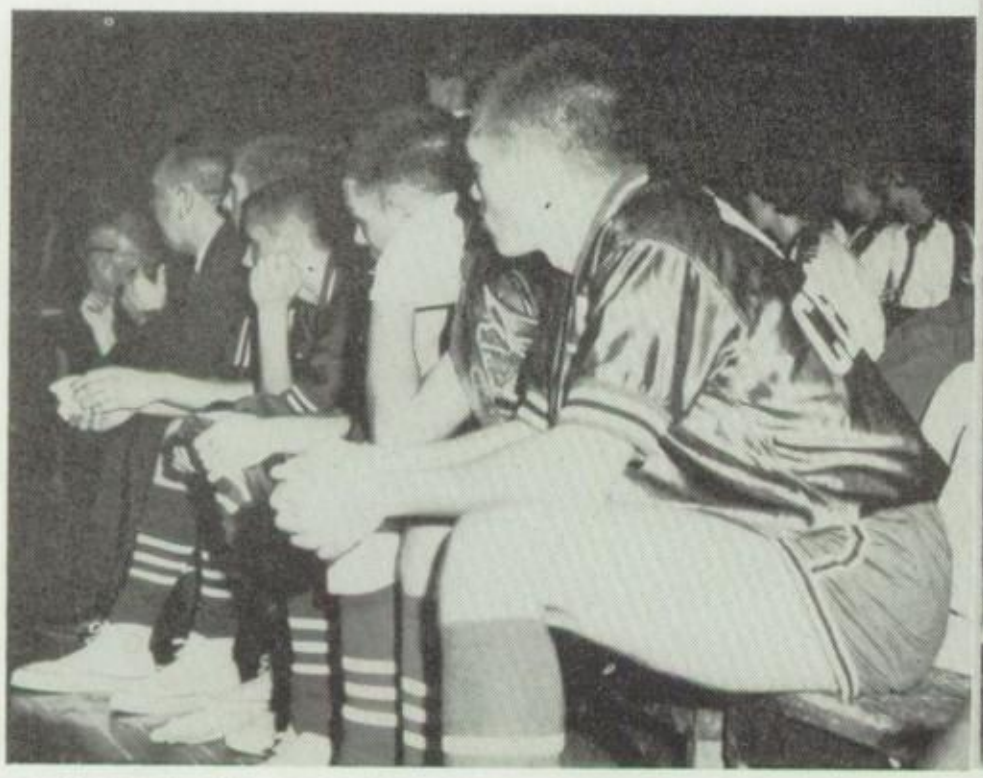
Rogers then felled the Braves for a second time, 64-46. The Pirates put on a big splurge in the final quarter to take the victory.

After a heartbreaking first encounter, everyone turned out for the second game with Gonzaga. The Bullpups had it again, as they handed the Indians a defeat, 45-35.

A cold first quarter hurt the Indians as they bowed next to Lewis and Clark. In the final game of the season, West Valley upended the Braves, 74-42 to take second in the city.

Marty O'Brien, who led the city league in scoring with a 15.4 average, was named to the Spokesman-Review's No. 1 All-City team and to the Chronicle's No. 2 team.





Coach Ken Hagen, Coach Jerry Stannard, Bruce Wiedmer, Dave Betts, LeRoy Miller and Roger Ketron all seem very interested in action at the Coliseum.

New Coach Handles Cross-Country

Eugene Lister, a North Central graduate, took over as cross-country coach this year. Mr. Lister went to State when he participated in track, received his higher education at Eastern Washington State College, and did his cadet teaching at NC. He formerly was athletic director at Libby Junior High.

"We had a fair season for the number of boys who turned out," stated Coach Lister. "However, we lacked depth, and injuries hurt us all year. The record we did establish, though, would not have been possible, except for the hard work turned in by those on the team."

Outstanding runners were Loren McKnight, Monte Moore, Steve Gallemore and Fred Black. "Next year we will miss such runners as Allen Sykes, Floyd Atwood, Herb Aldinger and John Clements," Coach Lister added.

Balanced Squad Makes for Successful Season

Al Manfred, varsity baseball coach, had a strong squad this year. Early in the season there seemed to be a weakness on the mound. However, as the season progressed, there was a notable improvement in the pitching staff. This was due both to the boys' hard work and Coach Manfred's able instruction.

Preseason action with out-of-town schools saw the Indians topple Lewiston, 8-0, and squeeze by Coeur d'Alene, 12-11.

Against the Bengals of Lewiston, Walt Schroeder pitched a three-hitter and the Indians displayed their power at the plate as they scored seven of their eight runs in the fifth inning. Marty O'Brien and John Jamieson hit home runs, back to back in the fifth, to aid the scoring splurge.

Power was again displayed against Coeur d'Alene as Jamieson delivered a three-run blast in the second inning and O'Brien swatted a fourth-inning two-run homer. Steve Eugenio was the winning pitcher for the Tribe.

The league opener saw the Tribe seeking a win when they Met Lewis and Clark at Hart Field.

Four Seniors, Ten Juniors Backbone of Indian Roster

Four seniors and 10 juniors formed the backbone of the 1962 Indian team. The four seniors, all lettermen, were: John Jamieson, Don Ludwigson, Marty O'Brien and Mike Williams. Steve Eugenio, Herman Kruiswyk, Gabe Lapano, Gary Logsdon, LeRoy Miller, George Nethercutt, Tom Pichette, John Ramage, Bob Thomas and Walt Schroeder were the 10 juniors.

Four sophomores completed the Indian roster. They were Bob Briggs, Wayne Keck, Gene Miller and Dave Wolke.

Returning to the mound for the Indians this year were Walt Schroeder, Marty O'Brien and Herman Kruiswyk. Also, the Tribe had Steve Eugenio, a transfer from West Valley. Adding depth to the mound were George Nethercutt and Wayne Keck.

Don Ludwigson, LeRoy Miller, Marty O'Brien and Mike Williams returned to the infield to give the Tribe experience on the bases. Other trying for infield positions were Gary Logsdon and Gene Miller.

Patroling the outfield were Gabe Lapano, Tom Pichette, John Ramage and Bob Thomas. John Jamieson, a big gun at the plate, held down the starting catcher position. Dave Wolke was a reliable substitute behind the plate.

Top: Don Ludwigson receives the ball in time to force out the Gonzaga University ballplayer at first base. Middle: John Jamieson catches as a GU player swings at the ball. Bottom: Again, Don Ludwigson stretches to make the fatch just in time to force the GU player at first.

Fall All-City Tournament Taken by Golf Squad

North Central's four-man team, consisting of Craig Lee, Ron Rude, Gary Anderson and Dennis Hendricks, fired a combined score of 174 at Indian Canyon golf course last fall to win the fall all-city golf tournament by two strokes over their nearest rival, Shadle Park.

In the season play, the Indians didn't fare as well. They ended the fall season with a two-win, three-loss record. Winning matches were over Rogers, 7½-4½, and Central Valley, 8-4. Shadle overtook NC in league play, but this proved insignificant after the tournament.

Others who took part in play in the fall were Glen Jones, John Duprie, Jerry Christie and Robert Briggs. These golfers and others will turn out in the spring for regular action.

Teaching physical fitness is only one goal of the Girls' Physical Education Department. Good sportsmanship and good health standards are also stressed. Mrs. Lucile Lill, head of the department is also the director of the Red Feathers and the tennis team. Mrs. Lill is assisted by Miss Sue Bertram, who directs the Color Girls and golf team.

Mrs. Lucile Lill, girls' physical education department head, and Miss Susan Bertram, assistant, talk about coming sports events.

PE Teachers Promote Good Sportsmanship; Color Guards Chosen for Marching Ability

These two girls chosen in the spring from the junior Red Feathers, along with two boys chosen from the band serve as Color Guards, and lead the marching units in halftime stunts and parades. They are chosen by Mr. A. G. Tiemann, band director, and Mr. James Simmons, choral director, on the basis of marching ability and over-all participation in band and Red Feathers.

Color Guards Jeannette Fraser and Lennie Husen practice for the annual Lilac Parade.

Volleyball

Volleyball is a favored sport with most girls. After-school volleyball was held two times a week for the different classes. Several teams were sent to Rogers High School, where a volleyball tournament was held.

Ice Skating

Ice skating is composed of girls from the varsity tennis and golf teams. When they are not in their regular season, they form an ice-skating group. They skate each Wednesday during sixth period at the Coliseum.

Front Row: Dede Mitchell, Becky Cheek, Mrs. Judy Barry, Sue Reida, Diane Newett. **Second Row:** Jerrie Row, Ruth Bonin, Sheila Bayley, Sylvia Bollen, Eileen Bro, Renee Paquin, Jacinta Caballero, Cherilyn DeBolt, Mrs. Lucile Lill. **Third Row:** Carol Forrey, Laurie Moliter, Barbara Hobbs, Nancy Monohon, Sharon Evans, Sandy Wallen, Sharon Chapman, Jeannie Bonser, Karen Baker.

Lifesaving

Lifesaving is open to any girl who wishes to earn her junior or senior lifesaving certificate. The girls meet two hours after school each week to swim and learn correct lifesaving procedures.

Aquettes

Aquettes, under the direction of Miss Susan Bertram, is North Central's synchronized swimming group. After much practice, these girls put on a program in the fall for their parents and the public.

AQUETTES—Front Row: Glenna Trusty, Ann Amdahl, Linda Barnes, Carol Eide, Pat Hammond, Delaine Stickel. Back Row: Gloria Rohner, Marie Tollefsen, Carla Lawrence, Carol Griffith, Carol Brusseau, Diane Sarawatori, Judy Amdahl.

Mr. Robert Barnard, Phyllis Mills, Phyllis Douglas, Marie Meilleur, Dennis Hendricks, Mr. Dan Davis

Bowling

Bowling today is one of America's fastest-growing sports. Every Thursday you may see these students walking over to North Bowl to bowl in the North Central League. There is an individual league for both boys and girls.

Office Monitors

Monitors are considered a great asset to the physical education department. Working during their free period in the PE office, they take roll, watch the locker room and check showers. These girls will earn extra points for their sports letter.

Front Row: Norene Jacobson, Jane Coffey, Kay Moorehouse, Sue Peterson, Janet Forbes, Sandy Auer, Judy McLaughlin, Vicki Murray. Second Row: Rose Hill, Linda Bellepeuille, Sandy Brockway, Barbara Hobbs, Patty Filzen, Dee Thopoulus, Bonnie Smith, Gail Elbrecht. Third Row: Linda Edwardson, Janis Smith, Karen King, Mary Maxfield, Margie Bisbee, Cherilyn DeBolt, Jane Johnson, Linda Barnes, Carol Griffin, Denise Parnell.

"Where's the basket?" asks Anita Daniels while playing an imaginary game.

Gee! What a heavy volleyball! Joanne Kimmel is wondering who switched balls on her.

Easy does it! That's Jerrie Lee Roe's motto as she demonstates ice skating techniques.

Spring Sports Fun for Girls Enrolled in PE

"Hit the birdie?" questions April VanDyke as she exemplifies a badminton beginner.

Team down! cries Mary Maxfield as she readies for a meet.

Oops! Missed again! exclaims Pat Belair while trying to connect with a softball.

North Central High School Clubs Offer

Amores Librorum

Amores Librorum is for students who work in the library. A strong passing average is required to gain membership. These students report certain periods of the day to work in the library. They perform such activities as work at the check-out desk, magazine room, files, book repair, and the more advanced helpers assist students in finding information they desire.

Art Club

Interest in the fine and applied arts is encouraged by Art Club. It functions in part as a service club, providing decorations for various school activities. To be eligible for membership, one must have at least one semester in art at North Central and plan to take several art courses. He must have a B average in art and a C average in all other subjects. Attendance at open house and voting of members is the method of selecting new members.

Biology Club

Biology Club was formed to promote and further knowledge in various scientific fields among students. Meetings are held on the second and fourth Wednesdays of each month. Attendance at open house and a vote on candidates is the method of selecting new members. A C-plus average and one semester of biology are requirements for admission to the 35-member club.

Chess Club

Chess club gives students an opportunity to play chess; students who don't know how to play can learn the game. There are no membership requirements; all students interested are welcome.

Cercle de Menage

Translated, Cercle de Menage means "Club of the Homemakers." Through this home economics club, it is hoped the girls will learn to live better as family and community members. Membership is limited to 35 girls with a C-plus average. Through association with the Home Economics Club, a girl contributes to the well-being and happiness of herself, her family and her future home. Attendance at open house and voting of members is method of selection.

Commercial Club

Members of this club carry on projects and activities that will increase the interest in the business education department and give insight into careers in the business world. Membership is limited to 50. Members must maintain at least a C in every subject to be eligible. Attendance at open house and voting of members is the means of selection.

Students Varied Social Activities, a Wide

Future Nurses of America

Future Nurses of America was organized for girls interested in nursing as a career. The 35 members are comprised of sophomores, juniors and seniors who have a C-plus grade average. The girls meet on the first and third Wednesdays of each month.

New members are selected from the attendance at open house and a vote, by members, on candidates seeking admission.

Future Teachers of America

Future Teachers of America invites you to learn more about the teaching profession. Our meetings are held on first and third Wednesdays of each month. Seniors, juniors, sophomores and second-semester freshmen with a C-plus average are eligible for membership. Attendance at open house and a vote of members is the method of selecting new members, to complete the 35-member maximum.

High School Red Cross

Red Cross is an international organization formed to give aid in emergencies; the North Central organization selects six students from each class as members. Three members are chosen to be representatives to the city council, which meets monthly. Every summer a training center is held in Coeur d'Alene, Idaho, for the purpose of developing leadership. Meetings are held on the first and third Thursdays of each month.

Key Club

Key Club was organized as a boys' service club. Selected on their academic record, leadership ability and approval of the principal, members must have a 3.0 average or better and must be a junior or a senior. They are then voted on by the members of the club. Luncheon meetings are held every other Wednesday during fourth period.

Latin Club

Latin Club was organized to increase friendly relationships among Latin students. "Senatus Populusque Romanus" is another name for this club. It has a 35-member maximum. A C-plus average and enrollment in Latin or past enrollment are requirements for admission. A Roman banquet is held each year by the club. Meetings are held on the first Thursday and second Tuesday of each month.

Mathematics Club

Students who have an interest in Mathematics are eligible for membership in Math Club. Three semesters of math with grades of B or better and no grade below a C in other subjects are the membership requirements. This club sponsors annual mathematics contests, is interested in the areas of service and social events. Attendance at open house and voting of members is the means of selecting new members.

Learning Experience and Enjoyment

Quill and Scroll

Quill and Scroll is an international honorary group for high school journalists. The North Central club is named the Edward R. Murrow Chapter. Juniors and Seniors who do outstanding work in some field of journalism and who are recommended by the adviser are eligible for membership. A pin is received and the national magazine is sent to members.

Radio Club

Radio Club was organized to promote interest in amateur radio. Instruction is given to help students acquire their novice and general amateur radio license. The club has an amateur radio station that enables members to communicate with other radio amateurs throughout the United States and Canada.

Spanish Club

Promotion of interest in the Spanish language, customs and culture is the goal of Spanish Club. Membership may be acquired by taking Spanish and maintaining a C average. The method of selecting new members is the attendance at an open house and voting of the members.

Tau Chi Talent Club

Tau Chi, comprised of talented students in music, dramatics and specialty acts, has served North Central for 10 years. The members perform for various types of organizations and are dedicated to benefiting others. By participating the members gain in self-confidence and poise. Membership is limited to 35.

Thespians

Students who have earned 10 points by participating in stage productions are eligible for membership. Points are earned by a variety of activities which include acting, preparation of makeup, decoration of scenery, writing of programs and the sale of tickets. The purpose of the Thespian Society is to promote interest and skill in dramatics. Their social functions include attendance at several visiting stage shows and entertainments during the year.

Vox Puellarum

Vox Puellarum, organized as a service club, has served North Central for many years. Vox Puellarum means "Voice of the Girls," so named because it was the first club of this type.

A maximum of 35 members, seniors, juniors and sophomores, perform service projects for the school and other needy organizations.

Dear Shirley,

I'm so happy I got to meet you this year. I am sure you will do a lot at N. C. and will enjoy your activities as much as I have mine. You're a very sweet, lovely girl and I have enjoyed knowing you. Love, Sandy Skitten

After hours of hurrying, scurrying and worrying, we, the staff of the North Central High School Tamarack, hope you enjoy your book, and bid you fond adieu for '62.

Shirley,
Too many
years

Dear Shirley,
It's really been
great knowing you (I know
everyone says that but it's
so true) and I'll miss you
terribly. Good luck and
the very best wishes!

(65)

Dear Shirley,
We've had loads
of fun this year wreck
food, blouses and flub
Algebra problems. Ne
year will have been
more fun because we
might get to be in the
Salem class.
Best wishes and
Good luck
Sue Peterson

Shirley
It really been fun havin
you in Homeroom and Algebra
Keep up the good work and
you'll go a long way. Keep the
smile too
Love ya

From Christopherson

Shirley Just sept
Good luck
year is taking all
there too and
avoiding me
(does N. E. ring a bell?)
had too much this
fact to get Mr. Sanford
Hope you get (for any) no
for all classes and NO?
Mr. Lowther (for any) no
not really, I just couldn't
be that mean to you all.
Hope you don't turn
your fingers to orange
too many torches this
(Bit, summer
Love ya anyway
Chris
